Historical Society President, Pat High and other Historical Society members spoke against the Society paying half of their utilities because they don't have the funds to do so.

Council Member Conner stated that the Council doesn't want the Historical Society to disband, but feel that they should contribute something toward the upkeep of Interlachen Hall.

Council Members Conner and Bakker suggested that the Historical Society have fund raisers to help pay for the utilities.

After much discussion, the Council agreed to delete item "I" (*utilities*) and bring it before the Council for a vote at the June Council meeting.
